Reference: Amended April Monthly Report (3/01/08 - 3/31/08); your letter from 12/31/08

Dear Ms. Rocco:

The transfers from the non-federal account reported on Schedule H3 on the Amended February Monthly Report (1/1/08 - 1/31/08), Amended March Monthly Report (2/2/08 - 2/29/08), and Amended April Monthly Report (3/1/08 - 3/31/08) were for permissible allocated activity, Administrative and Direct Fundraising categories. The transfers on Schedule H3 exceed the activity reported on Schedule H4 because the transfer at the beginning the 3-month period sampled, 1/2/08 on the Amended February Monthly, was for Administrative activity calculated within the previous 60 days as permitted by law. The original Administrative category expenditures did not fall within the reporting range sampled by the Commission.

Sincerely,

Doug Robertson

Treasurer
